Cover Picture--The primitive portraits of Colonel and Mrs. Benjamin Prescott are among Jaffrey's most valued possessions. They were given to Clay Memorial Library by the late Susan Clay who was a descendent of the couple portrayed, and they hang at the library now.

They have a double value for Jaffrey. The old paintings, done on wood, are art treasures in themselves. But perhaps more important they portray the earliest local members of a family which has played a vital role down through the years in the town's development and prosperity.

**TOWN REPORTS****Report of Selectmen**

It is now time for the voters of Jaffrey to study the new town report which explains the expenditures for the year 1959.

All told, we consider the past year an average one in regard to the functioning of town government.

One of the most important projects which was completed in 1959 is the new pumping station for the sewer, at a cost of \$45,321.21 This station is located a few hundred feet northeasterly of D. D. Bean & Sons factory, just off new route 202.

The completion of the stabilization bed or lagoon of the new sewer system has been badly delayed for reasons beyond our control, but now it is about finished and it is expected this project will be ready for use by spring.

Another very important undertaking which has been anticipated for some time past is the improvement of the beach at Contoocook Lake and the temporary closing of that section of the highway during the summer months, which extends along the beach. This being a safety measure to prevent persons using the beach from being hit by passing automobiles.

Stratton Road was widened about seven feet between the railroad crossing and Ellison Street. This may appear to be still quite narrow, but nevertheless we feel it is a decided improvement, and well worth the money expended.

Bradley Court has been paved, in accordance with the vote passed at town meeting last year, meeting a need of long standing.

Town Road Aid work was extended on the road leading from Gilmore Pond to the Fitzwillian Road. This work was not completed

this fall but will be before the July 1st deadline.

We feel that the Committee for the Christmas lighting did an excellent job of decorating for the Holiday Season and we hope this committee will be continued for this year.

The new dug-out which was constructed at Humiston Field by the Park Commissioners is a very commendable achievement.

We again feel that we can apply due praise for the good operation of all town departments and express our full appreciation for the civic spirit displayed to all town workers.

RALPH E. BOYNTON

J. OREN BELLETETE

LESTER F. HAMMOND

Selectmen  
of  
Jaffrey

## TOWN MEETING WARRANT

### STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Jaffrey, in the County of Cheshire, qualified to vote on Town Affairs:

You are hereby notified to meet at the Conant High School Auditorium on Stratton Road, in Jaffrey Village, in said Town on Tuesday, the eighth day of March next, at nine o'clock in the forenoon, (polls to remain open until six o'clock in the afternoon), to act upon the following subjects;

Article 1. To choose a Town Clerk, Selectman for three years, Tax Collector, and all other necessary Town Officers.

Article 2. To bring in your votes for the election of Delegates-at-Large, Alternate Delegates-at-Large, District Delegates and Alternate District Delegates to the National Conventions of the various Political Parties to be held to nominate candidates for President and Vice President of the United States.

Article 3. To hear all reports except that of the Budget Committee, and act thereon.

Article 4. To hear the report of the Budget Committee, and to raise and appropriate such sums of money as may be required for the support of the poor, building and repairing highways and bridges, fire department, police department, Memorial Day, street lights, and all other town charges.

Article 5. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Article 6. To see if the Town will vote to raise and appropriate a sum not exceeding \$1500.00 to be used toward the purchase of a new police cruiser.

FOR YOUR NOTES

Article 7. To see if the Town will vote to raise and appropriate a sum not exceeding \$700.00 to be used by the Commissioners of Humiston Park for capital improvements at the Park.

Article 8. To see if the Town will vote to appropriate the sum of \$1800.00 for expenses incident to opening the new dump.

Article 9. To see if the Town will vote to increase the salary of the Justice of the Jaffrey Municipal Court.

Article 10. To see if the Town will vote to dis-continue that portion of highway, (now re-located), leading from the Turnpike near the residence of Dr. Vannevar Bush southerly past the former No. 1 school house to the Squantum road.

Article 11. To see if the Town will vote to raise and appropriate the sum of \$600.00 for the paving of Dionne and Bourgeois Streets owned and maintained by the Town of Jaffrey.

(this article inserted by petition)

Article 12. To see if the Town will authorize the Selectmen to sell real estate acquired by the Town by Tax Collector's deeds.

Article 13. To see if the Town will vote to establish a Forestry Committee to supervise the management of Town owned Forest lands in accordance with approved Forestry practices.

Article 14. To see if the Town will accept, with certain conditions, title to the SILVER RANCH AIRPARK, and raise and appropriate the sum of \$500.00 for maintenance thereof for the balance of the fiscal year. (by petition)

Article 15. To see if the Town will raise and appropriate a sum of money not exceeding \$2,500.00 for the purpose of establishing a so-called "tax map" of the town, which map shall serve to show by location ownership of the various parcels of land located within the township, that all acreage and real property may be known, clearly

defined, and equitably assessed its rightful portion of such taxes on real estate as may be levied from time to time, or to take any further or other action in the matter.

(this article inserted by petition)

Article 16. To see if the Town will vote to sell and convey to the Jaffrey Center Village Improvement Society, Inc., a non-profit corporation located in the Town of Jaffrey, duly incorporated under New Hampshire laws, all the right, title and interest, if any, it may have in, to, or over any portion of the land and building thereon, situated in so-called Jaffrey Center Village on the westerly side of Thorndike Road and northerly of Blackberry Lane upon which Melville Academy building is located and to authorize the Selectmen to execute, acknowledge and deliver in the name of the Town a deed thereof, in such form and description as to them shall appear proper, for which conveyance the Society will raise sufficient funds with which to repair and restore the building, more especially its tower, and maintain the building as a historical landmark in the town, or to take any further or other action in the matter.

(this article inserted by petition)

Article 17. To see if the Town will vote to instruct the Selectmen, and all town officers, agents, committees or commissions to submit to public bid all purchases of equipment or material, or construction, repairs or contracts involving an expenditure in excess of \$300.00.

(this article inserted by petition)

Article 18. To see if the Town will accept the following ordinance or act in any way relating thereto;

“Every dwelling house or residence hereafter erected in the town shall have a minimum set back of thirty feet from any public highway.”

Article 19. To see if the town will vote to accept the following ordinance or act in any way relating thereto;

“Off-street parking space of the following areas shall

be provided in connection with all new buildings of any sort hereafter erected in the town; One space for each dwelling unit; One space for each three hundred square feet of floor area of a building used for commercial purposes; One space for each employee on the largest shift in connection with a building used for manufacturing or industrial purposes.”

Article 20. To see if the town will vote to accept the following ordinance or act in any way relating thereto;

“No person shall locate or maintain in the town a motor vehicle junk yard or machinery junk yard (both as defined by N. H. Revised Statutes Annotated as amended by Chap. 267, Sections 1-4) unless the yard is fenced or screened so as to be completely hidden from view from any highway.”

Article 21. To see if the town will vote to accept the following ordinance or act in any way relating thereto;

Industry and manufacturing are to be encouraged. However, no land in the town not presently so used nor any building hereafter erected or altered thereon shall be used for any manufacturing or industrial purpose unless permission is granted by a vote of a board composed of the Board of Selectmen and the Planning Board.

Article 22. Regulation for new subdivision of land.

To see if the town will vote to authorize and empower the Planning Board to approve or disapprove in its discretion plats showing new streets or the widening thereof, or parks, or new subdivisions of land.

Article 23. To see if the town will vote to accept the following ordinance or act in any way relating thereto;

Ordinance regulating trailers and trailer parks.

For the purpose of this ordinance, the following definitions are adopted; A trailer means a vehicle or similar portable structure having no foundation other than wheels, jacks or skirting,

FOR YOUR NOTES

and having any, all or none of the following: running water, sanitary facilities, bath facilities and toilet. A trailer park means a plot of ground upon which two or more trailers are parked and occupied for living purposes, regardless of whether or not a charge is made for such accommodations. No land in the town shall be used, either temporarily or permanently, for the location of a trailer except in a designated trailer park. However, the owner of a tract of land may locate on that tract a single trailer for his own use and that of his family if within a period of ninety days he shall have begun the construction of a permanent home on that tract.

Any person, firm or corporation desiring to operate, maintain or offer for rent any site, lot, field, or tract of ground for location and maintenance of one or more trailers shall obtain a written operating permit from the Board of Selectmen which shall designate the area as a trailer park. Written application shall be made to the Board of Selectmen and contain the following information; the street and location of the premises to be occupied; the permission of the occupant of any dwelling on the premises for the use of the premises as a trailer park; a statement of the sanitary facilities to be used by the occupants of the trailers; provisions for collecting and disposing of waste water, garbage, refuse, trash and sewage disposal; the source and method of distributing water to the trailers; the name and address of all persons who will be responsible for the maintenance of the area as a trailer park. An operating permit shall be issued by the Board of Selectmen to any applicant who has complied with the provisions above when said Board is satisfied that all laws of the state and all regulations of the State Department of Health will be complied with. All permits shall expire on December 31st next following the date of issue. Any permit may be suspended for cause following a hearing before the Board of Selectmen. Permits shall not be transferable. A fee of \$200.00 payable to the town of Jaffrey shall be assessed yearly and be paid upon receipt of a permit.

(The preceding 6 articles were submitted by the Planning Board)

Article 24. Shall the provisions of Chapter 287 of the N. H.

Revised Statutes Annotated, relating to games of Beano be accepted in this town ?

Article 25. To see if the Town will vote to establish a Capital Reserve Fund for the purpose of purchasing equipment for the Highway Department, and to raise and appropriate the sum of \$3,000 to said fund.

Given under our hands and the seal of the Town of Jaffrey this 20th day of February, A. D. 1960.

ENDING DECEMBER 31, 1959		\$608,932.29
--------------------------	--	--------------

Plot plan of Fitzgerald Land, purchased by the Water Commission in 1959 as the site of a new gravel packed well which will, someday, give Jaffrey an additional source of supply.

NEW WELL SITE--Test borings were made at the Fitzgerald Land site back in November of 1956, as shown below.

A week later the steady flow, shown to the left, had furnished evidence of a half million gallons per day available.

# REPORT OF HENRY J. BELLETETE HIGHWAY AGENT

## Receipts From Highway Department

### Received for use of Grader:

Alderman, Bissell	\$105.00
Bean, D. D. & Sons Co.	120.00

## REPORT OF POLICE DEPARTMENT

JAFFREY, NEW HAMPSHIRE

January 2, 1960

To the Honorable Board of Selectmen:

Gentlemen:

The Chief of Police herewith submits his annual report for the year 1959.

Your department has just completed its busiest year since my appointment as head of the department. We investigated 729 complaints during the year, an increase of 115 from the previous year. A total of 233 arrests were made for various infractions of the law, in increase of 13 from the previous year.

With auto accidents and fatalities high throughout the State we are happy to say, that auto accidents in Jaffrey decreased over the previous year. We investigated 38 accidents as compared to 44 in 1958, of these accidents personal injuries were sustained in 5 of them and there were fatalities.

With an increased work load and rising costs of cruiser maintenance we could see that we would overrun our budget. Several pieces of new equipment were needed, so the Officers agreed to buy this new equipment from our Equipment Fund. This Police Equipment Fund as you know, comes from the proceeds of our Annual Policemen's Ball, held the 1st Friday after Easter. We bought a filing cabinet, a typewriter, 2 .38 Cal. Revolvers and holsters, a mouth to mouth resuscitator, extra lights and primers for reloading ammunition, totaling \$489.00

A training course in firearms was held during the summer and fall. Thanks to the use of land for a firing range by Harold Royce of the Old Fitzwilliam Road, and the use of his home to reload ammunition, our officers became more proficient in the use of their service revolvers.

Two new officers were added during the year to replace Alphe Lamothe and Amadice Jalbert who resigned, they are Francis Chamberlain and Irving Gagnon.

## REPORT OF REVENUE TO TOWN TREASURER

Bicycle Registrations	\$62.50
Out of town telephone calls (Prisoners)	6.87
For gas sold from Town pump	<u>43.01</u>
	\$112.38

Received from County of Cheshire  
Aid for 4 cases

50.10

Respectfully submitted,  
LUCIEN E. VIGNEAULT  
Overseer

## PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note.

58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple -

1. Before burning, secure a permit from your local forest warden - the law requires it.
2. Be sure to properly supervise your burning.
3. Make sure your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles - use your ash tray.
5. Don't burn at home - use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires	6
Number of acres burned	0
Number of permits issued	110

## LIST OF FIRES FOR THE YEAR 1959

DATE	ALARM	OWNER-OCCUPANT	TYPE FIRE

Town Road Aid	<u>1,121.11</u>
	\$160,166.11

Art. 4. ANTICIPATION OF TAXES. It was voted to authorize the Selectmen to borrow money in anticipation of taxes.

Art. 5. CONTOOCCOOK LAKE ROAD. The Town Meeting voted in favor of the following resolution:

"That it be the sense of the voters of the Town of Jaffrey in Town Meeting assembled this 10th day of March 1959, that the Selectmen be instructed to exercise the authority vested in them by Chapter 41, section 11 of the New Hampshire Revised Statutes Annotated, and arrange with the Police Department for the regulation of the use of the highway leading past the Contoocook Lake Bathing Beach by closing said highway to through traffic at such times and seasons as to assure a maximum degree of safety to those using the beach, the lake, and the parking area.

And Be It Further Resolved:

That the Selectmen establish a system or schedule of charges for use of the parking lot, bath house, and (or) other services or facilities furnished by the Town, and that in said schedule special

consideration be given full or part time residents of Jaffrey."

Art. 6. STRATTON ROAD. It was voted to raise and appropriate the sum of \$1,200.00 to widen and improve Stratton Road.

Art. 7. PARKING LOT. It was voted to pass over this article.

Art. 8. BRADLEY COURT. It was voted to raise and appropriate the sum of \$800.00 to improve Bradley Court.

Art. 9. MONADNOCK NATIONAL BANK LAND. It was voted that the Selectmen be authorized to sell the land in front of the Monadnock National Bank to the Monadnock National Bank for the sum of \$1.00 with the understanding that said Bank would pay all legal expense incurred.

Art. 10. PETERBOROUGH STREET SIDEWALK. It was voted to pass over this article.

Art. 11. CONTOOCOOK LAKE SWAMP LAND. It was voted to pass over this article.

Art. 12. OLD PETERBOROUGH ROAD STREET LIGHT. It was voted to raise and appropriate the sum of \$147.60 for the installation of six street lights on Old Peterborough Road near the residence of Arthur Paradise and continuing along said road to the Le-toile house.

Art. 24. BEANO. The vote on the question of Beano was as follows:

Yes - 343

No - 139

OLD RED SCHOOL HOUSE RESOLUTION. The following resolution was passed:

"Whereas the old red school house on the Ark Road is the property of the Town of Jaffrey, and

Whereas it is an item of historical interest, and

Whereas it's present location is not feasible for it's proper development and restoration as an historical attraction:

Therefore be it resolved that it is the sense of this meeting that it would be to the advantage of the Town of Jaffrey for the Jaffrey Historical Society, Inc., to locate a more proper setting for the old red school house to enhance it's historical value, and

Be it further resolved the Selectmen, will assist in the removal and restoration of the old red school house in such manner they shall deem fitting."

The Meeting adjourned at 10:54 p.m.

A TRUE ABSTRACT.

RAYMOND J. DESMARAIS  
TOWN CLERK

## HUMISTON PARK COMMITTEE

February 2, 1960

To the Honorable Selectmen of Jaffrey:

The Commissioners of Humiston Park hereby submit their report to the taxpayers and citizens of the Town of Jaffrey.

By submitting this report we feel that the townspeople will have better knowledge of what the Park Commissioners have accomplished this year and explain some of their needs and plans for future years.

There were several improvements made this year at Humiston Park. The major improvement was the construction of a dug-out and washroom. Rather than build a dug-out at opposite ends of home plate which is customary in most ball parks, we found that a reasonable saving could be realized in building one dug-out which could be used by both teams. This was accomplished by erecting a wash room which separated one team from the other.

Thus we had one building approximately 40 feet in length by 6 feet in width constructed of cement blocks. The wash room, when completed, will have a flush closet, wash basin and urinal. Plumbing and drainage for these facilities have been completed and all that remains is to install them. This could not be done this year as our expenditures had exceeded our appropriation. Needless to say the the wash room has been a must for a number of years. Now that the wash room has been erected a certain amount of maintenance will be required by a caretaker.

Other improvements made consisted of a new pitching rubber and home plate, repairs to the see-saw and also the merry-go-round. Repairs and improvements to the field were few but those that were made were done by Coach Boucher and the Conant Boys to whom we are grateful.

Our plans and needs for the coming years are as follows:

Purchase of a flag and flag pole.

A new water fountain will be needed this year.

We are also considering the erection of a chain link fence along Howard Hill Road. This has long been a dangerous area and with the increase in the number of children using this play area and with the increased amount of traffic, the situation gets more hazardous each year.

As for our needs, we have asked the budget committee for an increase in our appropriation this year to undertake these projects.

In conclusion, the Park Commissioners are of the opinion that the people of Jaffrey are concerned with the safety of their children; the appearance of Humiston Park and the knowledge of how a portion of their tax dollar is being spent by this committee.

JOE T. GRIFFIN, Chairman

FERDINAND V. SIROIS

EDMUND BIBEAU

## **AUDITORS CERTIFICATE**

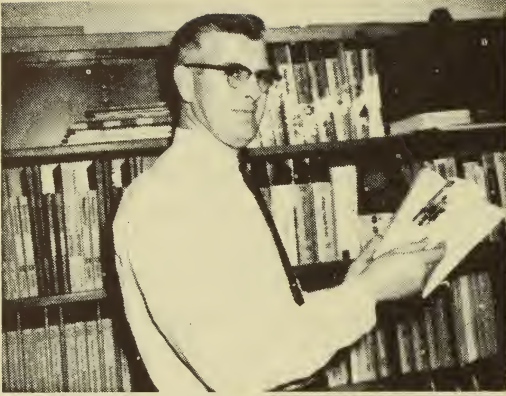

February 4, 1960

We the undersigned of the Town of Jaffrey, New Hampshire, hereby certify that we have carefully examined the reports and accounts of the Selectmen, Town Treasurer, Town Clerk, Trustees of Trust Funds, Tax Collector, Overseer of Poor, Chief of Police, Memorial Day Appropriation, Road Agent, Treasurer of Jaffrey Water Works, Conant Indigent Fund, Treasurer of Jaffrey Public Library, Trustees of the Alice W. Poole Fund, Municipal Court, Conant Cemetery Trustees, and find them correct in all respects to the best of our knowledge and belief.

## B. No-School Signal

In case of emergency when it seems inadvisable to have schools in session on any day, the No-School Signal will be given by sounding the signal on the fire alarm system at 7:00 A.M. It will also be announced over radio station WBZ & WKNE at the same time approximately.

Parents and pupils are urged to depend upon the fire signal, T.V., or radio for no-school notices. Telephone operators are no longer able to assist in giving no-school information

## C. Calendar

1960

April	22	Schools close--Spring Vacation
May	2	Schools reopen

Nov.	24-25	Schools closed--Thanksgiving Recess
Dec.	21	Schools close--Christmas vacation

1961

Jan.	3	Schools reopen
Feb.	17	Schools close--Winter Vacation
Feb.	27	Schools reopen

## D. Report of District Clerk

At a legal meeting of the School District of Jaffrey at the Conan High School Gymnasium in said Town and on the 9th day of March, 1959, at 7:30 o'clock in the evening, and pursuant to the foregoing warrant:

Meeting was called to order by the Moderator, Jason C. Sawyer, and the warrant was read by him with the return of the same.

First four Articles voted by ballot.

Article 5: Mrs. Evelyn Ruffle moved and it was seconded that the salaries of the School District officers for the ensuing year be as follows:

Ballot Each Ballot Clerk

Unanimously carried.

111

Article 6: Mr. Leon H. Hunt moved that the reports, as printed, be accepted and placed on file with the Clerk. Seconded and carried.

Article 7: Mrs. Anne B. Gordon moved and it was seconded that the Auditors chosen at Town Meeting March 10, 1959, also be empowered to serve as School Auditors. Unanimously carried.

Article 8: Mr. Ernest J. Pratt moved that the School District raise and appropriate \$287,236.00 and to authorize and direct the School Board to apply against said appropriation such income as is estimated by the School Board exclusive of State Aid, and upon the determination of the amount of State Aid to be received by the School District during the next fiscal year, to authorize and direct the School Board to apply against such appropriation the sum to be received from State Aid, and with the School District Clerk certify to the Selectmen the balance as an assessment to be raised by the Town for school purposes. Seconded. Discussion. Carried.

Article 9: Mr. Ernest J. Pratt moved that the District raise and appropriate the sum of \$4,600.00 to provide additional teacher salary increments for the school year 1958-59, such funds to be made available prior to June 30, 1959. Seconded. Explanation by Mr. Pratt. Unanimously carried.

Article 10: Mr. Charles D. Burrage moved that the District raise and appropriate the sum of \$1,800.00 for repairs to the front steps of Union Hall. Seconded and carried.

Article 11: Mrs. Anne B. Gordon moved that the School Board be authorized to make application for and to accept on behalf of the District such sums of monies as may be made available under the National Defense Education Act, Public Law 85-864 (for purposes outlined under Titles III, V, and VIII thereof), and that the District appropriate the sum of \$2,000.00 for said purpose(s), \$1,000.00 of which amount shall be raised as an assessment by the Town, and a like amount to be received from Federal sources. Seconded. Discussion. Carried.

Article 12: Mr. George C. Robinson moved that the District raise and appropriate the sum of \$1,000.00 to be used as a Capital Reserve Fund for replacement of the school bus. Seconded. Discussion. Carried.

Charles Burrage, Member of School Board for Three Years.

Ernest J. Pratt, Member of School Board for Three Years.

Lawrence W. Brown, School District Treasurer.

Jason C. Sawyer, School District Moderator.

Those present took oath in open meeting.

Voted to adjourn at 9:49 P.M.

A true copy.

Attest:

S/MYRTLE J. HAZLETON  
School District Clerk

E. Warrant

To the Inhabitants of the School District in the town of Jaffrey qualified to vote in district affairs:

You are hereby notified to meet at the High School Auditorium on the 7th day of March, 1960, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose two members of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the town.
9. To see what sum the district will raise and appropriate for the purposes outlined under Titles III, V, or VIII, or any combination

thereof, of the National Defense Education Act, Public Law 85-864, and to authorize the School Board to make application for, to accept on behalf of the district, and to apply against this appropriation any or all grants or other funds which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire under the provisions of the National Defense Education Act.

10. To see if the district will vote to authorize the School Board to use the balance of the Building Fund, including any and all interest thereon, for the purchase of additional and/or replacing science laboratory tables, or for such other capital outlay purpose(s) as the School Board may deem necessary and advisable.

11. To see what sum the district will raise and appropriate to be used as a Capital Reserve Fund for replacement of school bus.

12. To see what sum of money the district will vote to raise and appropriate for the purchase of bleacher units for the auditorium-gymnasium.

Given under our hands at said Jaffrey this 20th day of February, 1960

ERNEST J. PRATT  
LEON H. HUNT  
EVELYN H. RUFFLE

ANNE B. GORDON  
GEORGE C. ROBINSON  
CHARLES D. BURRAGE

School opened in September, 1959, with the following new staff members at Conant High School: Robert W. Cook, Social Studies & English; Ralph J. DeBonis, Boys' Phy. Ed. & Sc. Gr. 7; Robert R. Devoid, French & English; William A. Hagner, Social Studies & Sc. Gr. 8; and Ronald W. Record, Social Studies, Gr. 7-9. Mr. Basil B. MacLeod, teacher of Social Studies and Science Grade 8, in 1958-59, took over the Guidance position this year.

Miss Gail Faunce and Mr. Alvah Niemela were hired for the two vacancies in the sixth grade now located at the Grade School.

## B. School Program

### 1. *Report of the Grade School Principal*

Reading, one of the basic subjects in the elementary school, has received special attention this year. Helping Teacher Ronald Scott and the faculty of the Grade School are working to develop a reading guide for the school which will outline the objectives and skills to be taught at each grade level. More ability grouping in reading within each grade has been the practice. Also an effort has been made to establish a closer relationship between the two subjects, reading and spelling. Over eighty library books were added to the classroom libraries with money donated by the P.T.A.

A smaller enrollment in Grade 1 combined with a decrease in other grades made it possible for the sixth grade to remain at the Grade School in September. Miss Gail Faunce and Mr. Alvah Niemela were elected to teach this grade.

For the second consecutive year it was possible to operate with two divisions of each grade which eliminated the necessity of a combination grade.

A long-felt need was realized when it was possible for the boys of Grades 4, 5, and 6 to have a man instructor in physical education.

The home-school technique is being used for the first time in this area by Miss Faunce for the instruction of Marlene Roy, who is not able to attend school because of a back operation. Marlene has direct communication with her teacher and her classmates. The installation of the telephone was made possible by the local Lion's Club.

Professional growth of the faculty during the past year is indicated by the following list of teachers and the courses they have taken since the previous report:

*Miss Mary Hamilton:*

Social Studies in the Elementary School

Handcraft in the Elementary School

Cultural Development of New Hampshire

*Miss Geraldine Wallace:*

Science in the Elementary School

*Miss Mildred Cutter:*

The Cultural Development of New Hampshire

*Mr. Alvah Niemela:*

Supervision in the Elementary School

*Miss Ruth Langille:*

Conservation of Vision

Dental Health in the Schools

Understanding Psychological Testing

Mrs. Dorothy Kendall was awarded the Degree of Bachelor of Education by Keene Teachers College in June, 1959.

In March, 1959, Clayton Craig attended the Massachusetts Elementary Principals' Conference in Amherst, Massachusetts. In September Mrs. Louise Belletete, Miss Ruth Fitzgerald from Conant, and Clayton Craig attended the New England Reading Conference at Swampscott, Massachusetts.

Clayton Craig, Principal

## 2. *Report of the Conant High School Principal*

Since this is my second year as administrative head of Conant High School, I feel that I can give a more complete picture of the progress and activities than I did last year.

First, however, may I say that you have a sincere, hard-working group of teachers at Conant. There exists that core of experienced teachers who have been joined by a group of young teachers. Together they make an excellent staff. It is certainly my privilege to work with them.

Truly the emphasis is on academic work. The students of the school are studying harder than perhaps ever before. Certainly we are in accord with James B. Conant, along with other educational leaders, when they recommend a total of fifteen to twenty hours of home study per week.

Our opportunity grouping is progressing very well. As I said in my last year's report, it "facilitates better teaching and certainly better learning." This we believe more strongly than ever. A developmental reading program is a new addition this year. Although the teacher in charge is rather limited in time, we hope that it can be expanded for another year.

Two new courses have been added to the Program of Studies. For those students who are not necessarily college-bound but should have a more terminal science than general science or biology, we have added a Survey of Physical Science. To strengthen our social studies we have added Economic Geography. With the return of the two sixth grades to the elementary school, it is now possible for us to have a social studies laboratory classroom, a junior high school science laboratory, and a general audio-visual room.

To give each student a more complete general education, the minimum program for each pupil has been raised from eight units to ten units of required courses. Thus, in order to graduate, a senior shall have completed successfully four years of English, two years of social studies, two years of science, and two years of mathematics together with his electives.

In April, Conant High School will be evaluated by a committee representing The New England Association of Colleges and Secondary Schools of which Conant High is a member in good standing. Through-out the winter the teachers were required to meet many times in their subject area fields to evaluate themselves and their work before the arrival of the visiting committee.

Three new clubs have been organized this year. They are the Future Teachers of America Club, the Science Club, and the French Club. These organizations, together with the existing ones, blend to make a more sociable pupils' activities program.

The athletic teams continue to represent the school creditably. Last spring Mr. Boucher's baseball team reached the state quarter-finals before bowing to a strong Lebanon, N. H., team. The soccer team, under Mr. Ralph DeBonis, although not often in the win column, looks forward to better years, since many of the team's members were underclassmen. The basketball team has had greater success. At this writing it is the proud possessor of a 4-3 record. Mr. William Hotin continues to coach the varsity team; Mr. Robert Mallat, the junior varsity team; and Mr. William Hagner, the seventh and eighth graders.

Through the generosity of the Community League of Jaffrey and the Jaffrey Parent-Teachers Association, a trampoline was purchased for the physical education program. This, together with a set of high parallel bars, purchased by the District, adds to make the total program one of which we can be justly proud.

The school board this year initiated a plan whereby a different automobile dealer each year is given the opportunity to supply the

school with a Driver Training car. This year Mr. John Hayes provided the school with a 1960 Rambler. It is hoped that thirty youngsters will have completed the course by June.

The graduates of our school continue to do well. From the graduating class of 1959, numbering twenty-four young people, fourteen of them went on to further education. This is an excellent percentage.

In closing, it is often appropriate for a person to thank those people who have made the above possible. However, my list would be so long, it would cover the following pages. Thus to simplify matters I'll say: To my fellow educators, to the school board, to the people of Jaffrey, and definitely to the students of Conant High, I offer my sincere thanks.

Henry L. Bremner, Principal

### 3. *Report of the Supervisory Staff*

In this our second annual report we should like to consider with you some of the accomplishments of your teachers and staff for the past year, and to consider some of the items which are in our thinking for the school year 1960-61.

As Mr. Craig mentioned in his report the grade school staff has given particular group study to reading and the language arts. The Conant staff together with interested townspeople have been engaged in an exhaustive evaluative study of the High School and its program. The New England Association of Colleges and Secondary Schools is now the accrediting agency for this area, and its approval is necessary if our graduates are to enjoy certain privileges of entrance in member colleges. The evaluation also provides the mechanics for upgrading the educational offerings of our school and community.

In the junior high school area considerable attention has been given to developmental reading. As mentioned in our report a year ago, the mechanics of reading in general are not sufficiently stressed to meet the needs of many of the pupils. It is to meet this need that we are centering our attention in grades 7 and 8 this year.

We have one significant curriculum change to propose, — in the vocational field. At the present time our program in grades 7 through 12 is for the most part woodworking and auto mechanics.

Industrial or Practical Arts Education is an important facet of general education. It has a contribution to make to all pupils in the secondary school, whether they are preparing to become pro-

fessional workers, business people, or factory workers. Since it is for all of these groups, it must emphasize much more than industrial knowledge and experiences. Industrial Education is not essentially the development of skilled artisans, nor should it be considered terminal education.

Industrial or Practical Arts Education should have as its major general education objective the appreciation and understanding of the world of work in as great a variety as possible; the sampling or exploration of elementary skills in a wide range of trade areas for orientation purposes; the identification of special skills, abilities and aptitudes that will assist students in determining career goals and provide a basis for specific guidance into specialized post-secondary training; and the stimulation of leisure time recreational skills and interests, no matter what the career may be.

The course offerings in Grades 7 through 10 should allow for exploration into five principal areas — woodworking, general metals, electricity, mechanical drawing, and auto mechanics or transportation. Through the experiences of the student in these years, he is given an opportunity to learn of these trade areas and to determine his personal capacities and interests, and in addition to acquire certain knowledge and skills for future avocational usage.

The offerings in Grades 11 and 12 should reflect a slight shift in their purposes. As a result of the capacity and interest of the pupil as determined in the prior years in the program, he may now consider (1) returning to the General Education fields, or (2) to proceed further in the development of his interest and skills in specific areas.

The 11th and 12th grade program at Conant should also offer an opportunity for pupils in the academic or general curricula to move in and out of the Practical Arts Program as their interests and aptitudes may dictate.

Lewis F. Foote, Superintendent of Schools

Ronald P. Scott, Helping Teacher

## PART III. SCHOOL PLANT

## A. Repairs

As is the case in any year, summer work at Conant was quite extensive. Perhaps the most important addition was the installation of a complete intercommunication system for the building. An accoustical tile wall and an asphalt tile floor made the Art Room a more practical classroom. The old, worn-down stairs in the old building are now something of the past; they were replaced with new oak treads. A new walk was added to the front of the building which makes for a safer approach to and exit from the high school.

The summer maintenance program at the Grade School included redecorating several classrooms, toilet areas, nurse's room and the school kitchen.

Officials of the Jaffrey Fire Department and the State Fire Marshal's Office recommended a more adequate fire exit from the school lunch room. The widening of the corridor from the lunch room to the front entrance to the auditorium has recently been completed.

The project of equipping the lunch room with new folding tables was completed last summer with the purchase of nine tables. The new tables plus the installation of a tile floor, accoustical ceiling and general painting has made the lunchroom an attractive area.

In late December one of the two boilers at the Grade School broke down. After due consideration as to the age of the boiler and the number of repairs that might be necessary in the near future, the board contracted the M. J. Flaherty Co., of Boston, for the replacement of the old boiler with one of similar design and capacity. This firm made the original installation and on two other occasions made extensive repairs.

## B. Insurance

Fire, Extended Coverage & Vandalism, buildings & contents, Conant High and Jaffrey Grade School	\$612,000.00
Boiler Insurance, Property & Liability, Conant High and Jaffrey Grade School	50,000.00

## PART V. CHILD ACCOUNTING

### A. Graduations From High School

Twenty-four students, as compared with twenty-three in 1958, and twenty-two in 1957, were graduated from Conant High School in June, 1959:

Travis Allen, Priscilla Allord, Roland Bibeau, Marion Blair, Richard Blanchette, Ronald Butler, Ronald Charland, Linda Felch, Mead Herrick, Margaret Korpi, David Nichols, Robert Record, Jr., Homer Sawtelle, Jr., Diana Shattuck, Harry Sirois, Richard Soucia, Bette Stewart, Louis Tremblay, Carol Underwood, Richard Webber, Alice Whitney, Marjorie Whitney, Susan Wilen, and Howard Williams, Jr.

Of these fourteen are furthering their education in institutions of higher learning which include four year colleges, junior colleges, schools of nursing, and technical schools; seven are employed; two are in the Armed Forces, and one is married.

### B. Statistics for the Year Ending June 30, 1959

	High	Elem.	Total
Number of pupils registered	167	503	607
Average number of days schools were in session	178	178	---
Average membership	156.8	485.7	642.5
Average Attendance	148.8	458.9	607.7
Aggregate number of $\frac{1}{2}$ days all pupils were in school	52,970	163,391	216,361
Percent of Attendance	94.9	94.5	----
Average number of days each pupil was in school	168.9	168.2	----
Non-resident pupils (tuition)	41	33	74
Pupils transported at district expense	62	217	279

## C. School Census as of September 1, 1959

Total	953

## D. Enrollment

As of January 15, 1960

Grade School		Conant High School	
Grade 1	56	Grade 7	88
Grade 2	61	Grade 8	69
Grade 3	53	Grade 9	50
Grade 4	54	Grade 10	50
Grade 5	59	Grade 11	40
Grade 6	<u>50</u>	Grade 12	<u>36</u>
Total	333		333

Grand Total 666

## PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

## A. Health

Colds and stomach upsets accounted for most of the illnesses among pupils. There were no general epidemics noted. One case of measles, one of mumps and two of impetigo were reported. For colds and stomach upsets two hundred and forty-nine ill pupils were taken or sent home from the classrooms. Keeping sick children out of the schools is a major problem each year.

Dr. Sterling continued his duties as school physician. He examines the members of the athletic teams and cheering squads and the pupils of the odd-numbered grades yearly. He directs and generally supervises all phases of school health work and immunization programs.

The school nurse conducted vision and hearing tests and maintained general checks for obvious correctable conditions. Follow-up for vision and hearing defects, as well as dental corrections has shown satisfactory results. Parents have been very cooperative.

The dental clinic, sponsored by the Jaffrey Woman's Club, was continued. Because of a limited budget only pupils in the lower grades could benefit and this was limited to those pupils who were unable to obtain private dental corrections. A report of this clinic follows:

Paid dentist's time (half days)	13
Pupils treated	31
Appointments	78
Deciduous teeth filled	101
Permanent teeth filled	64
Extractions	37
Prophylaxis	13

Dr. Raymond Moore did the work in his office. The money was spent before all pupils waiting and qualifying could be completed.

Many pupils who needed glasses were fitted. Those unable to get glasses privately were helped by a fund set aside for this purpose by the Jaffrey Community League. Ninety-two pupils out of one hundred twenty-nine who apparently needed glasses were fitted. There were thirty-five pupils already wearing glasses.

Dr. Sterling recommended a follow-up of the Salk Polio Clinics and strongly urged that all those from 6 months to 40 years of age be protected. He also recommended booster shots for those who had already had three shots. The results were that 844 Salk polio shots were given. It is expected now that annual Salk Polio Clinics may be offered for this purpose each May.

In June two days were set aside for the annual pre-school registrations and examinations. Forty-five pupils were registered for entrance into the first grade in September. Upon this occasion vision, hearing and other physical difficulties which might interfere with school achievement are noted, so that necessary corrections may be made prior to the opening of school in the fall.

An opportunity is provided for pupils and parents to become familiar with the school and the teachers, as well as obtaining data about regulations, facilities, school calendar, and administrative personnel. This program results in less fear and confusion in September for these small pupils and their parents. It enables school administrators to make definite plans for classroom and school bus needs early in the summer.

Approved professional meetings, conferences, and workshops were attended by the nurse. These took nine day's time, mostly on weekends and during vacation weeks. Places of meetings were at Walpole, Laconia, Manchester, Keene and Concord. A summer school course at Plymouth Teacher's College was also taken.

## CLINICS AND REFERRALS

Dental	87
Oculists	35
Tonsil	2
To physicians	93
Orthopedic	3
Pre-school registration	45
Visits to homes	605
Visits to classrooms	1478

## TESTS AND EXAMINATIONS

Vision tests	729	
Hearing tests	729	
Inspections	5931	
Heights	690	
Weights	690	
First aid and referrals to nurse	1790	
Examinations by nurse	690	
Examinations by physician	455	
Taken home ill	249	
Successfully vaccinated	100%	
Salk polio vaccine	844	
Dental defects	578	Corrections 428
Vision defects	129	Corrections 92
Glasses already worn	35	
Pupils examined	690	
Defects found	710	
Defects corrected	523	81% of defects
Without apparent defect,	472	71% of pupils at end of the year
